(1)	Write the name of the organization (university name, company name, etc.) that your user group belongs to.
(2)	Write the address of the organization that your user group belongs to.
(3)	The size of the user group has to be small enough to ensure the representative (in (6)) can keep track of the usage of the Language Grid by all members. If your organization is very large, we will conclude the agreement with the section concerned. Write the name of your laboratory/project/section/department, as well as the name of your organization.
(4)	Write the address of your user group.
(5)	Please publish an English web site. (In order to ensure all service providers can check the information of the users)
(6)	Please add the name of the representative of the group in (3).
(7)	Add the e-mail address of the representative in (6).
(8)	All notifications from the operator will be sent to this address. If there is an administrator of the ID and password other than the representative, please include the address of the administrator. Multiple email addresses can be registered.
(9)	Please add the genuine signature of the representative in (6).
(10)	Add the date you signed the agreement.
